Dear Friend:

I am writing to see if we can arrange a couple games in Durham. First I would like to ask the local team to play The Newark Eagles there in Durham Easter Monday.

Next I would like to arrange for The New York Black Yankees and The Newark Eagles to play in Durham Tuesday April 25th. Both teams will be in the neighborhood, and would like to stop in Durham that day. Will you be able to use the lights at that time? The game should be played at night.

If you are not interested, will you tell me who to get in touch with, or will you contact them for me. There is really not much time, as we have to arrange other games according to whether we can be here this day, and it will take a while for advertising.

Please let me hear from you right away.

Very Truly Yours
